

## ARE YOU READY TO GET INVOLVED?

The **Education Support Program**  
of the **Open Society Foundations**  
has the pleasure to invite you to a  
**consultation**

with a passionate team of  
European grassroots representatives.

The event takes place in the framework of the Grassroots Europe for Local Wellbeing project, initiated by the Open Society Foundations and co-financed by the European Union. During the project, more than 100 community-based organizations got together to discuss about their role and responsibility in building inclusive and tolerant societies. A delegation of 50 project participants is ready to share their in-depth knowledge and expertise working with marginalized communities and to initiate a consultation process to make policies more relevant to the needs of European citizens.

As we believe that you are committed to bringing Europe closer to its citizens and to fostering debate and reflection on common priorities, it is a perfect opportunity for you to get engaged.

The meeting will be followed by a reception and the opening of an exhibition showcasing the caricatures of Mr. Elemér Könczey (Cluj, Romania), dealing with burning social issues such as inequalities, marginalization, and poverty.

**Venue of the meeting:** The Hub Brussels (37 Rue du Prince Royal, 1050 Brussels)

**Date of the event:** 14 November 2011, 9 a.m. - 12.30 p.m.
